

CARTA Education Series

Charting the Course to Tailored Cannabis Therapeutics

Overview

This education series collects CARTA's core handouts for customers, patients, clinicians, and retail partners.

Each piece is written in a science-informed, plain-language voice and tied into the PhytoLogic Platform and CARTA Stack app.

Key Takeaway

Together, these materials form a cohesive, modular education system that can be printed, shared digitally, or accessed via QR codes and the CARTA Stack app.

LEGAL DISCLAIMER These materials are for educational purposes only and are not intended as medical advice, diagnosis, or treatment. Cannabis affects individuals differently. Effects may vary depending on dose, setting, and individual biology. Always consult with a qualified healthcare professional before starting or changing cannabis use, particularly if you are pregnant, breastfeeding, have underlying medical or psychiatric conditions, or are taking prescription medications. CARTA products are designed for responsible adult use only. Keep out of reach of children and pets. Do not drive or operate heavy machinery under the influence of THC. Compliance with all local, state, and federal laws is the responsibility of the user.
