

# CARTA Gives Back

---

Local partnerships, education, and workforce development.

## Introduction

CARTA invests in Minnesota through partnerships that advance education, job training, and public health.

## Science Explained Simply

Community health improves when adults have access to accurate information and opportunities. Education around cannabis safety and responsible use reduces preventable harms.

## CARTA Product Spotlight

We collaborate with local organizations to host workshops, support workforce pipelines, and share practical knowledge around safe storage, dosing, and chemotype literacy.

## Practical Guidance

Join us—attend a workshop, request educational materials, or ask your local retailer about CARTA training.

## FAQ & Myth vs Fact

Q: Can my organization partner with CARTA?

A: Yes. Contact us to explore education and workforce initiatives that fit your community.

## Responsible Use & Safety Notes

We do not provide medical diagnosis or treatment. Our education reinforces adult-only, responsible use.

## Key Takeaway

Giving back is part of the brand. When the community is informed, everyone benefits.

#### **LEGAL DISCLAIMER**

These materials are for educational purposes only and are not intended as medical advice, diagnosis, or treatment.

Cannabis affects individuals differently. Effects may vary depending on dose, setting, and individual biology.

Always consult with a qualified healthcare professional before starting or changing cannabis use, particularly if you are pregnant, breastfeeding, or taking prescription medications.

CARTA products are designed for responsible adult use only. Keep out of reach of children and pets.

Do not drive or operate heavy machinery under the influence of THC.

Compliance with all local, state, and federal laws is the responsibility of the user.
